REQUIREMENTS AND INFORMATION

1. Site plan drawn to scale, showing all fencing, accurate dimensions and all existing structures and easements.
2. A copy of the contract with the property owner.
3. Property line fences require legal surveys and exposed corner irons. Inspections for irons are required prior to permit approval.
4. All fencing requires structural members to face owner's side unless adjacent property owner agrees in writing to the contrary.
5. No gates are allowed accessing private property and only one (1) fence is allowed on property line.
6. There are corner lot restrictions on fencing. Check with Zoning Ordinance 13.03 for these restrictions.
7. In case of condominium or any other type of association, an approval letter from the association is required.
