## ADDENDUM

The following is a summary of changes to the plans and Specifications that shall be considered as a part of your Bid. Receipt of this Addendum shall be acknowledged on the Bid Proposal Form.

This Addendum consists of 1 page, plus attachments.

### SUMMARY OF ADDENDUM:

1. Please find attached, the sign-in sheet from the prebid meeting held on October 3, 2018.
2. The Owner's contractor will address replacing the electrical wiring and conduits for the project. The successful bidder may have to coordinate his efforts with this activity but the owner will bear the financial responsibility.
3. The Owner's contractor will address disconnecting, temporary relocation, and reinstallation/connection of the solar panels. The successful bidder may have to coordinate his efforts with this activity but the owner will bear the financial responsibility. The successful bidder will be responsible for supplying the treated wood blocking and walkpads to protect the new roof.
