

# Who says money doesn't fall from the sky?

Purchase a Great Lakes Rain Barrel for just \$80

**Save on your water bill by collecting water in your rain barrel and using it to water your plants, lawn and vegetable gardens. Rain water is full of healthy nutrients and minerals that promote growth in your lawn and garden. The rain water can also be used to clean your automobiles, driveway, and patio. And it will leave a spot-free finish on your car!**

The 60-gallon capacity, simple to use rain barrel connects to your downspout and automatically collects runoff water from your home's roof.

Great Lakes Rain Barrels are available for purchase at the Brownstown Township Water Department at a cost of \$80.00  
Installation kit included with purchase

The Water Department is located at the Township Hall— 21313 Telegraph Road
