Compact Fluorescent Bulb Recycling Instructions

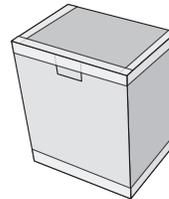

CAUTION: Immediately place broken bulbs in bag, seal and do not reopen bag.
Do not intentionally break bulbs as they contain a small amount of mercury.

1 DETACH BOX

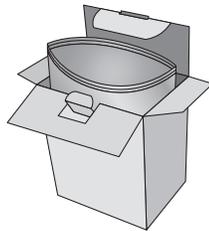

Detach recycling box from outside mailer at perforation.
Please recycle the remaining package packaging—it's 100% Recyclable.

4 WHEN FULL, CLOSE & SEAL

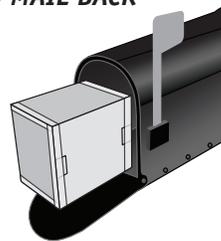

When box is full of bulbs or contains broken bulbs, seal bag, close box and seal all open seams.

2 SET UP BOX

Close bottom flap, and insert Mercury VaporLok™ foil bag.
Store in safe place and keep out of reach of children.

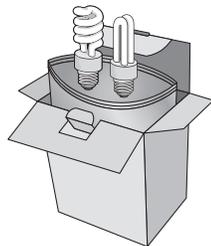

5 MAIL BACK

Mail back via the US Post Office by any of the following:

- Your mailbox
- Any US Post Office drop box
- Any US Post Office location
- Or schedule a carrier pickup at <http://www.usps.gov>

3 PACK BULBS

When a compact fluorescent bulb burns out, carefully insert into VaporLok bag.
Seal bag until ready to insert another bulb.
